

Ikego Elementary School

School Improvement Goals

- **Goal 1:** All students will improve **Reading Comprehension** across the curriculum.

Essence: "Putting together information from the text and from the reader's own background knowledge in order to create new understanding." (Fountas & Pinnell)

- **Goal 2:** All students will improve **Problem Solving in Math** across the curriculum.

Essence: Solving story problems and explaining thinking processes orally, in writing, and through performance.

Lighting the Way to Each Child's Future!
